

PE1595/DD

Margaret Howie Email of 18 January 2016

Reference- PE 01595

I wish to add my support to the petition being brought by Sandy Taylor to the Scottish Parliament on Friday 22nd January 2016 against the proposal by East Dunbartonshire Council to introduce a shared traffic scheme at the Catherine Street junction in Kirkintilloch town Centre.

In my opinion this whole venture, if it goes ahead, will endanger, both pedestrians and motorists and lead further to the demise of the town centre.

Yours faithfully,

Margaret M. Howie
