Dear Ned,

CONSIDERATION OF PETITION PE1571

Thank you for your letter dated 9 February to Rachael McKechnie asking for an update on when the Scottish Government's Social Justice Action Plan will be published.

In the Programme for Government (September 2015), the Government committed to launch a Social Justice Plan, setting out how it will continue to play its part in creating a fairer and more prosperous society. The Government will provide further detail on the Plan, alongside information about the Fairer Scotland discussion, prior to the dissolution of Parliament.

If any further information is required, please do not hesitate to contact me.

Yours sincerely

Karen Armstrong
