

**PUBLIC PETITIONS COMMITTEE CONSIDERATION OF PE1448  
QUESTIONS ARISING FROM COMMITTEE MEETINGS**

**TUESDAY 16 APRIL 2013**

Scottish Government / Scottish Transplant Group—

- What is your response to the points made by a number of NHS boards about the requirement for further research into screening for skin cancer in transplant recipients?

**TUESDAY 19 FEBRUARY 2013**

NHS Borders—  
NHS Forth Valley—  
NHS Grampian—  
NHS Lanarkshire—  
NHS Orkney—  
NHS Shetland—  
NHS Western Isles—

- The Committee is keen to hear your views on this petition. What advice, guidance and treatment do you currently provide to organ transplant patients, before and after the transplant operation, in relation to cancer risks associated with the long term use of immune-suppressant medications?
- Do you have any other views on what the petition seeks?

Scottish Government—

- As a follow-up to the letter to the Committee of 11 January 2013 the Committee would be grateful if the Scottish Government would provide an update on the findings of the Scottish Transplant Group in March.

**TUESDAY 11 DECEMBER 2012**

All Scottish Territorial Health Boards—

- What advice, guidance and treatment do you currently provide to organ transplant patients, before and after the transplant operation, in relation to cancer risks associated with the long term use of immune-suppressant medications?
- Do you have any other views on what the petition seeks?

Scottish Government—  
Scottish Transplant Group—  
NHS Scotland—

NHS Blood and Transplant—  
British Medical Association Scotland—

- What are your views on what the petition seeks?
