David Stewart MSP
Convenor, Public Petitions Committee
Scottish Parliament

Dear Mr Stewart

Petition: PE1454

Calling on the Scottish Parliament to urge the Scottish Parliament to consider placing hyperemesis specialist nurses in hospitals throughout Scotland to provide medical and emotional support to the thousands of pregnant women suffering from this condition.

Thank you for inviting the BMA to provide comment on the above petition. However, it would not be appropriate for the BMA, as a body representing medical professionals, to comment on the staffing or otherwise of wards by other groups of healthcare professionals.

Yours sincerely
