Dear Ms Peat

**PETITION PE 1469 – NEIGHBOUR NOTIFICATION AND PLANNING APPLICATIONS  
FOR WIND TURBINES**

I refer to my letter of 22 May to Stuart Todd, then Assistant Clerk of the Committee, and his e-mail to me of 28 June about the above petition.

I regret that competing priorities have meant we were unable to start our consideration of the concerns behind the petition as quickly as we had hoped. We should be able to provide a response to the Committee setting out our conclusions by the end of November.

I hope this information is of assistance.

Yours sincerely

ALAN CAMERON
