Petitioner Letter of 16 May 2013

Dear Chris

I have met with the Barra Youth Council members and we have read in detail the response from Graham Laidlaw and Martin Dorchester. The Barra Youth Council would like to respond by asking Calmac for a more specified timeframe for the implementation of Wi-Fi on all CalMac ferries, i.e. within the period 2013-2015.

The Barra Youth Council greatly appreciate the support from the Scottish Parliament.

Regards,

Katie Denehy on behalf of Barra Youth Council
