Dear Anne

CONSIDERATION OF PETITION [PE1522](#)

Calling on the Scottish Parliament to urge the Scottish Government to review the current statutory provisions applying to bulk fuel storage sites to ensure the same level of secondary containment is in place irrespective of the reason for the fuel being stored.

Thank you for your letter of 14 August 2014 referring to the above petition.

The Scottish Government acknowledges the large amount of evidence received by the Committee in relation to this petition and assures the Committee that it shall be taken into consideration when the review is carried out.

Yours sincerely
