Miller Homes Email of 9 April 2015

Ms Robinson,

Thank you for your e-mail and also please note that as a homebuilder we have also been contacted via our industry body, Homes for Scotland to make comments and provide an overall response on behalf of the house building industry as a whole.

Homes for Scotland will gather all responses from the member companies together and include these within their submission.

I trust that this is satisfactory.

Regards

Tom Cahill
Area Technical Manager (Scotland)
Miller Homes
